Northwest University Soccer Academy provides a positive and balanced training environment where boys and girls will grow in confidence as they learn the game of soccer. Each session is designed to focus on one technical skill that soccer requires, such as passing, first touch, shooting, defending and dribbling. The Academy will consist of six 1.5hr sessions led by NU's Head Women's Coach, **Erin Redwine**, Assistant Coaching Staff and current NU players. Players will be well prepared for Select/Premier tryouts in May!
