Financial Aid Application

Applying for aid: 20____ -20____ (Academic Year)

Instructions

1. In addition to this form, you must file the Free Application for Federal Student Aid (FAFSA) at least six weeks prior to the start of a new academic year in order to ensure you will have financial aid before the start of classes. The results of the FAFSA and the Northwest University Financial Aid Application (this form) must be received in the Financial Aid Services Office by this date to be considered for priority packaging. Students who submit documents after that date will be awarded financial aid as funds are available.
2. Please complete all forms accurately, as errors may cause delays in the financial aid process.
3. Keep copies of all important documents (i.e. tax returns, W-2's, etc.) as the Financial Aid Services Office may request them at a later date.
