

## 2024-2025 Petition for Dependent Students without Parental Support

The law governing federal student aid eligibility for dependent students is based on the premise that the family is the first source of support and has primary responsibility for meeting the educational costs of the student. **In order to be considered for most types of financial aid, dependent students are required to provide parental information on the FAFSA** (Free Application for Federal Student Aid). The U.S. Department of Education stipulates that parent refusal to provide support or unwillingness to complete/sign the FAFSA, are not sufficient grounds to appeal the student’s dependency status (this is true even if the parents do not claim the student as a dependent for income tax purposes, or the student demonstrates total self-sufficiency). In this case, the dependent student may be eligible to receive an **unsubsidized loan** to assist in funding their education (no other aid is allowed).

**If your parents have permanently ended all financial support or refuse to provide their information on your FAFSA**, you may complete this petition and submit your FAFSA without parental information, to be considered for a federal unsubsidized loan up to the annual grade level limits for a dependent student. If your parents are unwilling to complete and sign this petition, but meet the criteria above, you must include documentation from a third party (teacher, counselor, clergy member, court, etc.) who is familiar with your situation and can describe your relationship with your parents and possible reason(s) for refusal. This form will not be accepted unless all sections are completed. Once received, Student Financial Services will review your petition and make a final determination based on the documentation submitted.

### Section A: Student Information

Student Last Name: \_\_\_\_\_ Student First Name: \_\_\_\_\_ NU Student ID: \_\_\_\_\_

### Section B: Parent Attestation

The parent(s) whose information would have been used on the FAFSA must complete this section (if both parents information would have been used, then both parents’ initials are required). **Parent(s), if you refuse to provide your information on your child’s FAFSA and/or you have permanently ended all financial support, please read and initial/complete each statement below indicating that you understand the impact of this petition.**

<p><b>Parent 1</b> (required)</p>	<p><b>Parent 2</b> (if applicable)</p>
---------------------------------------	--

I refuse to complete the parental section of my child’s FAFSA and/or I do not provide any financial support to my child and will not provide any financial support to my child in the future. This includes both cash and non-cash support, such as housing and food, use of a vehicle, health or car insurance coverage, co-signing of any type of loan for the student, or payment of school expenses (tuition, books, supplies, etc.).

\_\_\_\_\_ **Date financial support ended (if applicable) →** \_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_

\_\_\_\_\_ Providing my financial and household information on my child’s FAFSA does not obligate me to provide support, pay my child’s tuition, or borrow any educational loans on my child’s behalf.

\_\_\_\_\_ By refusing to complete the parental section of the FAFSA, my child is prevented from receiving most forms of aid (including government grants, need-based loans and scholarships, and work-study).

\_\_\_\_\_ If this petition is approved, my child will only be eligible for an unsubsidized loan up to annual grade level limits for a dependent student (Freshman=\$5,500/Sophomore=\$6,500/Junior & Senior=\$7,500).

**(Continued on back)**
