 Undergraduate Minor: _____
 Date of Evaluation: _____

Pre-Admission Requirements:

1. Have a strong science education from a regionally accredited college or university and a minimum cumulative GPA of 3.30 in the last 90 quarter/60 semester credits. No grade below a "C" will be considered in this evaluation. **A bachelor's degree with a physics major meets these knowledge content competencies.**
2. Review must be completed by designated personnel of the Northwest University School of Education (SOE). Review will consider the following:
 - a. A minimum of 24 semester/36 quarter credits that meet competencies is required.
 - b. At least one course must be completed in each discipline (multiple courses if noted below).
 - c. At least half of the courses in the sciences must include a lab experience.
 - d. Courses may be listed in more than one discipline, if appropriate, but credits will only be counted once.
 - e. If a course title does not specifically identify a content area, you may be asked to submit additional information, i.e. syllabus, course description, etc.
3. For unmet competencies, course work must be taken that meets requirement. Contact SOE Graduate Enrollment Counselor to verify that proposed course will meet the competency
4. Specific competencies for this endorsement may be viewed at:
