

General Science Competency Review

(Grades 5-12)

Must be completed in conjunction with a Designated Science endorsement

Prospective Student Name: _____	Cumulative GPA for Degree: _____
Institution Transcripts Reviewed: _____	Degree Conferral Date: _____
Undergraduate Major: _____	Undergraduate Minor: _____
Planned Program Start Year: _____	Date of Evaluation: _____

Pre-Admission Requirements:

1. Have a strong science education from a regionally accredited college or university and a minimum cumulative GPA of 3.30 in the last 90 quarter/60 semester credits. No grade below a "C" will be considered in this evaluation. **A bachelor's degree with a science major may these knowledge content competencies.**
2. Review must be completed by designated personnel of the Northwest University School of Education (SOE). Review will consider the following:
 - a. A minimum of 24 semester/36 quarter credits that meet competencies is required.
 - b. At least one course must be completed in each discipline (multiple courses if noted below).
 - c. At least half of the courses in the sciences must include a lab experience.
 - d. Courses maybe listed in more than one discipline, if appropriate, but credits will only be counted once.
 - e. If a course title does not specifically identify a content area, you may be asked to submit additional information, i.e. syllabus, course description, etc.
3. For unmet competencies, course work must be taken that meets requirement. Contact SOE Graduate Enrollment Counselor to verify that proposed course will meet the competency
4. Specific competencies for this endorsement may be viewed at:
<http://program.pesb.wa.gov/endorsements/list/sci>

Post-Admission Requirements & Recommendations:

1. Once admitted to the MIT program, you will be assess in the endorsement through the ability to create lesson and unit plans, assessment instruments and effectively teach in the
2. In preparation for the MIT program, we recommend that you review the Common Core Standards and Washington State K-12 Learning Standards for your endorsement at:
<http://www.k12.wa.us/CurriculumInstruct/learningstandards.aspx>

Competency Coursework Review

Required Competency	Course Prefix & Number	Course Title	Term/Year Taken	College or University	Semester Credits	Quarter Credits	Course Grade
Mathematics: Must have at least one course in each of the following:							
	a) Calculus						
	b) Probability and statistics						
Ecology (i.e. environmental science)							
Life Science (i.e. general biology, botany, zoology, etc.)							
Physical Science (i.e. geology)							
Earth & Space Science (i.e. astronomy)							
Genetics							
Biological Evolution							
Chemistry							
Other relevant coursework							
Total Credits
